## Historic Family Ranch Award

The mission of Guardians of the Range is to keep ranchers on their grazing permits managed by the Cody/Worland BLM and the Shoshone and Bighorn National Forests.

On July 25th, we will honor family ranches within these communities, who have endured for 100 years.

If your ranch, or one of your neighbor's ranches, has been in business under the ownership of the same family for 100 years or more, please let us know **by July 17**. We will honor these time-tested family ranches during the Award Ceremony on July 25, at our Cowboy Day celebration in Hyattville.
